Steady

-I don’t really recall a steady girlfriend.
Lots of offs and ons.

-Why is that do you suppose?

-I don’t know...too shy, sly, sarcastic, nasty.
Not to mention…

-Don’t! You haven’t changed a bit!

-The world is wrong.

-And all the time you’ve given it to wake up!

-Well, no more Mr Nice Guy! Henceforth…!

-And henceforth and henceforth in The Annals
of Absolute Bullshit!

-Nothing is absolute!
